9. The briefs of *amici* shall be served and filed in accordance with the court's order dated September 20, 2023, as well as Minn. R. Civ. App. P. 129 and 132.01. Briefs of an *amicus curiae* in support of petitioners or in support of neither party must be served and filed on or before Friday, October 6, 2023. Briefs of an *amicus curiae* in support of respondents must be served and filed on or before Friday, October 20, 2023. *Amici* will not be permitted to participate in oral argument. All *amici* are reminded that the principle espoused in Rule 37.1 of the Rules of the Supreme Court of the United States is applicable in this court as well:

An amicus curiae brief that brings to the attention of the Court relevant matter not already brought to its attention by the parties may be of considerable help to the Court. *An amicus curiae* brief that does not serve this purpose burdens the Court, and its filing is not favored.

Amici are therefore encouraged to coordinate their efforts to avoid redundant briefing.
